Portal Access Issue Resolved

The problem with portal access has been resolved, so everyone enrolled in course should now be able to access the course on portal.

If you continue to have trouble accessing the course, please let me know

Lab Rooms

Labs start this week!

Check your tutorial time on ROSI. We refer to the tutorials as labs.

Lab rooms are now posted on the Lab Exercises webpage:

<http://www.cdf.toronto.edu/~csc108h/winter/exercises.shtml>

Room Change:

For Friday 17 January only,
lecture will be held in
Earth Science, Rm. 1050
