- Thursday @ 10: Wed Review and Fri Prep due
- Friday: Built-in Functions
Intro to Functions
- Sunday @ 10: Fri Review, Weekly Exercises, Mon Prep due
- Monday: Booleans

My name

- ... we've had at least one instance of someone emailing Andrew Petersen.
- He's a student, and he doesn't like getting my mail.
- I'm Andrew Petersen. Please check the email address carefully!

Any burning questions
before we start?

Getting Help

- Office hour after every lecture
- Closed Labs (led by your TA)
- Online discussion boards
 - Find/build study groups
- Email
 - Please read announcements on the discussion board first
 - Use a good subject, such as “I08: AI question about pixels”
- Don't spin your wheels -- ask for help!

Remember: We're in
DV2105F on Friday!
