Lab Exercises

No lab exercise this week. (No drop-in centre either.)

There will be lab exercises due by 3:30pm Friday for weeks 8, 9, 10, 11, and 12.

Assignment 2

If you haven't done so already, find a partner and get started!

There is a forum on Coursera for students looking for a partner for A2.

Remember to declare your partnership (or lack thereof) on MarkUs.

You need to do this even if you are working with the same partner as in A1 (or on your own).
